High school with a higher purpose

For the good of others.

The Campus Ministry Program at Bourgade Catholic is committed to providing a Christian vision of life that respects and appreciates cultural and individual differences. The program is designed to enhance the faith formation and the spiritual development of Bourgade Catholic students.

A four-year theology curriculum sets the tone for liturgical experiences that nourish each student's spiritual formation. Guided by our full-time chaplain and campus minister, faith development at Bourgade Catholic includes dynamic Christian service opportunities, school and class Masses and global awareness projects to address needs in our community and our world. We celebrate the Gospel message and our Catholic identity as paths to integrity, goodness and personal holiness.
